ASSP Transition

ASSE is in the process of transitioning to ASSP. To continue to receive our emails, please remember to add updates@chesapeake.assp.org to your safe senders list.

Robb Altenburg
President, Chesapeake ASSE

President's Message - June 2018

I'll begin this month with a humble thank you. Thank you for your vote of confidence in my ability to lead the chapter for another year. I would also like to say congratulations to the other elected chapter officers. They are 1st Vice President Leslie York-Hubbard, 2nd Vice President Frank Tiralla, Secretary Matt Koss, Treasurer Mike Wolf, Delegate Ned Fitter and Director, Website & Communications, Heather Aviles.

Safe travels to all those attending the National Professional Development Conference in San Antonio, Texas. A Region 6 social is being planned for one evening after the conference. Inquire at the ASSE Information booth for the date, time and place. I hope to see you there.

If you are not making the trip to San Antonio I hope that you will consider attending the Chapter Planning meeting on Thursday, June 7th, 2018 at Boordy Vineyards in Hydes, MD. The meeting is free of charge and is always a good time. Boordy Vineyards hosts their “Good Life Farmers Market” complete with local food and music. Bring a picnic and your thinking cap as we’ll begin to plan our programming calendar for the 2018-2019 chapter year. Bring your ideas for technical presentations, Maryland/Baltimore icons that the chapter could tour as a group, names of outstanding speakers you’ve heard speak in the past, etc. Can’t make the June meeting? No problem. Email Frank Tiralla at FTiralla@jmt.com with your suggestions.
Lastly, I would like to take a moment recognize Bob Lawson’s contributions to our chapter and say thanks. Bob is a past president of the chapter, and has served as our chapter’s treasurer for many years. He has volunteered countless hours of his time in order to maintain our chapter’s finances. Bob will be transitioning from his role as treasurer, and will continue to work on several important chapter committees. Thank you, Bob, for all you have done, and all you will continue to do to help us make the Chesapeake Chapter one of the best in the Society!

Robb Altenburg
President, Chesapeake Chapter ASSE

CHESAPEAKE CHAPTER ELECTION RESULTS

The results are in! Here are your Chesapeake Chapter Officers for the 2018-2019 year:

F. Robb Altenburg, President
Leslie York-Hubbard, 1st Vice President

Chapter Meetings & Webinars

Our monthly chapter meetings are valuable opportunities for professional development, networking and catching up with friends and colleagues.

Take a look below to see what we’ve got in store for you!

You can also view prior Chapter Webinars on the website: http://chesapeake.asse.org/files/

June Chapter Meeting: 2018/19 PLANNING MEETING & SOCIAL EVENT

Thursday, June 7, 2018 | 3:00 PM - 4:30 PM
(Social Event 4:30 PM - 7:00 PM)

Join other ASSE Chesapeake Chapter members as we plan out our next year’s meetings and events. Have a suggestion for a tour? Meeting location? Topic? Come out and provide your thoughts on what you would like to see/do during next year’s monthly meetings.

Afterwards please consider staying for a social event. Have someone interested in joining ASSE? This is a good event to bring them to so they can learn about the chapter and the things we are involved in.
2017 - 2018 Programs Calendar

Safety Manager
Chemical Manifesting Company

Immediate opening for a part-time 4 – 6 month contract with a potential for a permanent position with a great chemical manifesting company. Our client has an immediate need for a Safety Manager to provide support for two facilities. Three 8-hour days each week at each facility. The Safety Manager will spend 3 days one week at one facility and 3 days the next week at the other facility while maintaining that rotation. There is a potential to vary this schedule as desired that makes the most sense for the selected candidate and the client. The ideal candidate will have a strong work ethic, be a self-starter, show a strong attention to detail, and most importantly, believe in a team-oriented approach. This position will require industrial and chemical safety experience which is a must.

What You Will Do

• Develop, review, monitor, and implement safety policies, procedures, and other safety documents
• Conduct and lead incident investigations
• Conduct jobsite safety inspections
• Prepare and present safety reports to management
• Conduct safety training

What We Are Seeking

• Industrial and Chemical safety experience (6-10 years)
• Knowledgeable and experience in OSHA safety regulations
• Strong computer skills and Microsoft Office

APPLY HERE: https://www.progressivesafety.com/careers
