

March 8, 1963

Mr. Henry G. Lamb
10 Wiltshire Boulevard
Bronxville 8, New York

Dear Henry:

Enclosed is a copy of the petition of the Chesapeake Society of Safety Engineers, a copy of their Constitution and By-Laws, and a list of their members, which was included with the petition.

As you probably know by now, a letter ballot to the Board of Directors was mailed on March 5th, and probably crossed your letter of March 6th.

Concerning the Regional Meeting on April 4th, the three that were held have been partially devoted to a one or two hour workshop type of session for just official chapter representatives where they could sit around as a small group and talk about either their problems or the proposed chapter performance guide. I imagine that you will hear from Mike Biancardi when he returns as to his feelings about these small workshop sessions. You have received copies of both the Central and Western Region Meeting Minutes and you can see from these that where there is opportunity for discussion that this does create a climate in which a better understanding and a better communication between the individuals can be achieved.

I thought that you would be interested in these sessions which gives each of the chapter representatives a chance to be heard as well as being talked to.

Sincerely yours,

A. C. Blakman
Managing Director

Re: Eastern Regional Meeting

Gentlemen:

You have already received a notice that the Eastern Regional meeting will be held April 4, 1963 at 1:30 p.m., in Conference Rooms A and B of the American Standards Association, 10 East 40th Street, New York City. The following is the proposed agenda for this meeting:

1. Basic Objectives of our Society Chapters - President Biancardi
2. Chapter Membership Services - Secretary Blackman
3. Reports, Comments and Problems of Chapters and Prospective Chapters

Delaware County
Lehigh Valley
Metropolitan
National Capital
New Jersey
Penn.-Jersey
Philadelphia
Chesapeake Soc. of Safety Engineers
Harrisburg, Pa.

4. Summary - Regional Vice President

I am looking forward to seeing all of you at this meeting. Additional members of your chapter are welcome to attend.

Very truly yours,

Henry G. Lamb

Dear Al:

Chesapeake Society of Safety Engineers

Thank you for the copy of your letter of March 1 to Leonard Wozny.

As I understand it, you received my copy of all of the information with regard to the Chesapeake Society of Safety Engineers, which was to be the basis of their becoming a chapter of ASSE. Will you please send this material to me for my records.

Have you sent out the Letter Ballot to the Board of Directors on this new chapter? I have not yet received a copy.

Very truly yours,

Henry

RECEIVED
MAR 6 1963
ASSE

Dear Mr. Blackman:

Your letter of March 1 is very encouraging and because the possibility for entrance before next Fall seems strengthened, I thought I would advise that we have engaged the facilities of the Sparrows Point Country Club for our May 23 dinner meeting. We can at least plan tentatively to line up officers for presentation of Charter at that session. This is the best meeting place locally, refreshments and food are good and there is sufficient space to accomodate any of the new members' bosses they would like to bring. It may seem that we are beating the gun but it was necessary to set reservations for the meeting and I mention it now mainly because we would like to receive the Charter from you with Messrs. Lamb and Christian in attendance if at all possible.

Meanwhile, we have two regular meetings and three executive sessions wherein we can provide for a National Director (I'm touting the retiring president) and restate, if necessary, our section on affiliates.

Thanks to you and others who have been so patient with our impatience.

Sincerely yours,

Leonard Wozny, Jr.
President,

Chesapeake Society of Safety Engineers
