The ASSP Chesapeake Chapter offers professional development scholarships to safety professionals for continuing education such as:

- Attending a professional education seminar or symposium
- Attending a professional development conference
- Supplementary college coursework

Applicants must be members in good standing of ASSP Chesapeake Chapter. Limit one professional development scholarship in any five-year period. Scholarships are for course registration and fees but not related travel expenses. Maximum award \$1,000. Scholarship recipients must agree to present key concepts from their course at a Chapter meeting within 12 months after course completion.

Application for Professional Development Grant

Please answer all of the following questions. Your written responses are limited to 300 words in length. Reviewers will be rating your response to the questions asked and will rely heavily on your answers. This is the time to brag!

Describe the specific professional education course/conference/workshop/etc. that you plan to attend.

Amount Requested Provide itemized costs such as seminar or conference registration fees, course materials and books, etc. Do not include travel costs.

What are the dates of the course/conference/workshop/etc. you plan to attend?

What are your career goals and how will this grant help you achieve them?

What roles or leadership positions have you taken within the safety community?

Describe your financial need and reason for requesting this grant.

How will the professional education you're seeking afford an opportunity that you might not otherwise have. How will you build on this educational experience? How will this grant benefit you and your organization in the practice of safety?

What makes you stand out as an applicant?

Letters of Recommendation

Enter the name and contact information for the professionals from whom you would like us to request a letter of recommendation on your behalf. At least one letter is required, and it is highly recommended that you request up to the maximum, as these letters are important in the overall review of your scholarship application.

Individuals will receive an email once your application has been submitted, so be sure to give your recommenders enough time to create and submit letter(s) ahead of the September 30 deadline.
